Submission in response to Taskforce Discussion Paper No. 1

Dear Professor Fels,

Please find following a submission on behalf of the Australian Privacy Foundation, in response to your Taskforce's Discussion Paper Number 1, as well as in relation to the proposed Access Card project generally.

This submission includes two appendices:

A: Our Information Paper of 13 July 2006, "What we do (and don't) know about the proposed 'Access Card'"

B: "Spot the difference: national ID card proposals"

We would be pleased to have this submission published by the Taskforce, and would indeed encourage you to publish all submissions received, as well as your reports to the Government.

Yours sincerely

Anna Johnston
