Dear Mr Clarke

Thank you for your letter of 24 September 2013 about the Territory's pay parking machine procurement and concerns regarding privacy.

I note that you consider that it is important that an anonymous payment option continues to be available for the new pay parking machines. I can advise that, due to our policy objective of promoting accessibility for Canberrans and visitors, all of the parking machines purchased by the ACT will accept payment from coins as well as credit cards. This will provide flexibility and choice for Canberrans.

I recommend that you write to the acting Chief Executive, Mr Andrew Smith regarding the National Capital Authority's requirements for their pay parking machines.

Yours sincerely

Andrew Barr MLA
