Dear Mr Clarke

Thank you for your email of 22 April 2014 about Brisbane City Council's City Safe Cameras and the introduction of iPads for viewing CCTV footage by Queensland Police officers.

I can assure you that Council treats the security of personal information obtained through CCTV cameras very seriously and undertakes regular reviews to ensure compliance with the *Information Privacy Act 2009* and its guiding principles.

As there is no legal requirement for Council to comply with any other organisation's policies, Council will not be addressing the principles expressed in the APF's documents.

Thank you for contacting me about this matter.

Yours sincerely

Graham Quirk
LORD MAYOR
